2. Application Process

All leave (except emergency sick leave) must be applied for at least 3 working days in advance through the internal HR portal. Emergency sick leave may be informed to the reporting manager via message or call before 10:00 AM on the day of absence, with a formal application filed within 2 working days of returning to work.

Leave requests exceeding 5 consecutive working days require approval from both the reporting manager and the department head.

3. Public Holidays

Employees are entitled to 10 declared public holidays per year, as published on the HR portal every January. Employees may swap up to 2 declared holidays for 2 alternative working days with prior manager approval, to accommodate regional or personal observances.

4. Leave Encashment

Unused Earned Leave beyond the 30-day carry-forward cap is encashed automatically at the end of the calendar year, calculated at the employee's current basic daily pay rate. Casual Leave and Sick Leave are not eligible for encashment under any circumstance.

5. Leave During Notice Period

Employees serving a notice period may avail Sick Leave with a medical certificate, but Casual Leave and Earned Leave require explicit written approval from the reporting manager and HR business partner.
